Key Benefits

- Stylish & convenient
- Easy to install
- Has a built in flange
- Ready to tile or plaster
- Ideal for wet areas
- Various sizes

Three NEW sized niches have been added to the Multiboard range. The 600 x 300mm, 1200 x 400mm and the 800 x 400mm.

Ideal for shower areas or any wall where a recess is a desired feature, they offer a practical and time-saving solution. The 800 x 400mm niche features an adjustable shelf, allowing the insert to be positioned at the desired height.

All Marmox Niches are constructed from Marmox Multiboard, providing excellent strength, stability, and waterproof performance for long-lasting, reliable results.
